

Removal Item List Page 1/5

Removals Company _____

Sender _____

Loading Place _____ (Previous place of residence)

Unloading Place _____ (New place of residence)

The units per item as determined in this listing refer to standard furniture sizes and are binding standard values. Other items not listed here are to be entered underneath the respective room with the appropriate unit per item to be negotiated separately. 1 unit equals 0.1 m³, 10 units = 1 cubic meter (m³). Should this list be full, please add another sheet to the list.

This list and the values given meet the requirements of the BUKG.

This list is part of the removal contract and consists of _____ page(s).
